		Quiz:	<b>10 %</b>
		Project:	<b>30 %</b>
<b>Total</b>	<b>100%</b>	<b>Total</b>	<b>100%</b>

## Course policy:-

All students are expected to abide by the code of conduct of students throughout this course. Academic dishonesty, including cheating, fabrication, and plagiarism will not be tolerated and will attract disqualification of marks or values. It is expected from students to do all the assignments they are supposed to accomplish. Students are required to submit and present the assignments provided according to the time table indicated. Teachers give directions and instruction about assignments and other responsibilities of students. The mode of delivery shall encourage active participation of students. If students miss more than 85% of the class attendance, they will not sit for final exams.

Class activities will vary day to day, ranging from lectures to discussions. Students are appreciated to ask any question at any moment in class and during consultation periods. Cell phones **MUST** be turned off before entering the class as they are disruptive and annoying to the class.
